

REFERENCES

In following table you can see some of the TEDOM CHP installation examples corresponding the filter settings:

Application: -
 Fuel: biogas
 Country: -
 Installed Power: -

Since the Company foundation in 1991, we've already installed more than 3,700 CHP units in dozens of countries worldwide. More information about the application of TEDOM CHP units are summarized at our websites <https://www.tedom.com/en/>, section „**CHP units**„. Don't forget to see also our reference leaflets and brochures in „**Downloads**“ section.

PLACE OF INSTALLATION	COUNTRY	CHP UNIT TYPE	YEAR
WWTP Uherské Hradiště	Czech Republic	Cento T80 SP	2017
SPV Plevnice	Czech Republic	Cento T150 SPEM	2017
